I attended the open house, spoke to a CN rep, and reviewed all the information provided at the meeting. I have many concerns that will effect my family, environment and overall quality of life. The increase of train traffic will directly impact my daily life. I have 3 children in Dist. 220. 2 at the Early Childhood Level who ride the bus ^{to Houghton + Lines} and one child who walks to school.

I am concerned that the traffic will be trying alternative routes to Bypass

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
